FEEDING. We have 2 feeding periods each day. Our in-house food is a high quality natural dog food (Professional), of which we have a complete line. However, most clients prefer to bring their own food to reduce the possibility of stomach upset for their pet.

TOYS AND BLANKETS. You are welcome to bring your pets toys and a blanket. Please be sure they are machine washable and you will not be upset if your pet happens to destroy them.

EXERCISE . All pets are let out from the inside part of their quarters into the outside part a minimum of twice a day. Each outing is approximately 1 hour, depending on the weather and the individual pets' health, etc.

BATHING & GROOMING. We have a grooming service that picks up the animals, grooms them, and returns them. The only charge is for grooming. Grooming rates available on request.
